SEG 3125 (Analysis and Design of User Interfaces)

Summer 2018

Project – Phase 0

- **Due date: 20 May 2018 @ 11:59PM, (Submit on BrightSpace)**
- **Phase weight: 0%**
- **Work in group of 3 (maximum)**

In this phase, you will develop and submit your **project proposal** as well as the **names** of the members of the group working on the project.

Minimally, you must indicate in this proposal (2 to 3 pages):

1. The **goal** and the **scope** of the application you will develop

2. The type of application you will build (Web, Game, Mobile, Hybrid).

3. The type of users targeted

4. Brief description of the functionality you will need to implement

5. List of the technologies (platforms, frameworks, tools) you are planning to use
